

**Pregnancy Loss and Infant Death Alliance**  
 Parent Support :: Advocacy :: Awareness :: Resources

---

## Awareness Pin Order Form

By wearing this pin, you are supporting PLIDA's efforts to increase awareness and education. Your donation will help PLIDA reach its goal of ensuring that all families experiencing the death of a baby during pregnancy, birth, or infancy will receive comprehensive and compassionate care from diagnosis through the reproductive years.

Through collaboration between professionals and bereaved parents, we recommend and endorse standards of care and informed public policy, provide a clearinghouse for information and resources, recommend professional competencies, and promote increased awareness and research.
